

Parents & Players,

We are looking forward to a fantastic showcase.

Our top priority is always player safety and secondary is player performance.

Due to the forecast (which can always change) we may be forced to alter the schedule of skills in order to have all players seen at our event. We do not want you to think we are "short-changing your son". Our goal is to make sure all of our wonderful athletes are on display, not by the "luck of the draw" with session times.

The event is rain or shine and there are no make-ups, refunds or credits. Our staff will be on field before the sun is up and we will turn the lights on if necessary. This is the FINAL day of D1 recruiting (off-campus) until next Summer. Heritage Financial Park has one of the best turf playing surfaces in ALL of minor league baseball.

With that said, the great news is Heritage Financial Park has an indoor training facility which includes multiple MLB size full length pitching & hitting tunnels and a great scouting area with plenty of space to be seen by all 58 attending schools & coaches.

While there may be more downtime or "waiting" the sign-in for session two at the stadium is moved up. This is a very important day for the players, parents and the coaches. Please arrive by the posted time, but please know why you may be "waiting" while we conclude the first session. We want to make you aware and know that is not a lack of respect for your time, it is to do EVERYTHING possible to play as much as we can. Please make sure the boys (and yourselves) dress accordingly and players have their turfs and/or sneakers.. Umbrellas for parents are permitted.

Please make sure you follow our Twitter Page @I95Metro for any changes.

Let's have a fantastic showcase and please review your final confirmation emails, and the FAQ section on our event page. We will see you at the Stadium.

Sincerely,

I95 Metro Baseball
